WashFest is a non-profit event to help raise money and awareness for charities, local scholarships, and fundraising events. It is a two-person team washer tournament and live Texas music festival. Last year, WashFest gave back to local communities by donating and helping with fundraising for multiple causes.

After 11 years, WashFest has raised over \$500,000.00 for charities, scholarships, and community events. We hope to expand that by more this coming year, and for years to come.

The event, created by local band, The Washers, and now ran by a committee of guys' local to East Bernard, Texas, and the surrounding communities, is designed as a community event and Texas music showcase all for the purpose of raising money for charity.

Just a little information about last year's event...

Last year was our 11th annual event which included great live music on Saturday night, including the Josh Abbott Band, Kody West, and Jon Stork. The washer tournament had over 75 two-person teams and Terry Hummel and Zach Faulk were crowned the 11th Annual WashFest Champions.

Over the past 11 years, WashFest has entertained everyone with live music including Cody Johnson, Koe Wetzel, Josh Abbott, Wade Bowen, William Clark Green, Stoney LaRue, Whiskey Myers, Kyle Park, Jack Ingram, and many other great artists.

The WashFest Committee looks forward to the 12th Annual WashFest, as we hope to make it bigger and better, with another outstanding Texas music lineup and the always entertaining and competitive 2-man washer tournament. ***We thank you in advance for your kindness for helping make WashFest what it is today!!!***
